Open Secret Elliot R. Wolfson, 2009-10-21 Mena em Mendel Schneerson 1902 1994 was the seventh and seemingly last Rebbe of the Habad Lubavitch dynasty Marked by conflicting tendencies Schneerson was a radical messianic visionary who promoted a conservative political agenda a reclusive contemplative who built a hasidic sect into an international movement and a man dedicated to the exposition of mysteries who nevertheless harbored many secrets Schneerson astutely masked views that might be deemed heterodox by the canons of orthodoxy while engineering a fundamentalist ideology that could subvert traditional gender hierarchy the halakhic distinction between permissible and forbidden and the social anthropological division between Jew and Gentile While most literature on the Rebbe focuses on whether or not he identified with the role of Messiah Elliot R Wolfson a leading scholar of Jewish mysticism and the phenomenology of religious experience concentrates instead on Schneerson s apocalyptic sensibility and his promotion of a mystical consciousness that undermines all discrimination For Schneerson the ploy of secrecy is crucial to the dissemination of the messianic secret To be enlightened messianically is to be delivered from all conceptual limitations even the very notion of becoming emancipated from limitation The ultimate liberation or true and complete redemption fuses the believer into an infinite essence beyond all duality even the duality of being emancipated and not emancipated an emancipation in other words that emancipates one from the bind of emancipation At its deepest level Schneerson s eschatological orientation discerned that a spiritual master if he be true must dispose of the mask of mastery Situating Habad s thought within the evolution of kabbalistic mysticism the history of Western philosophy and Mahayana Buddhism Wolfson articulates Schneerson s rich theology and profound philosophy concentrating on the nature of apophatic embodiment semiotic materiality hypernomian transvaluation nondifferentiated alterity and atemporal temporality

The Open Secret Tony Parsons, 2000-01-01 Throughout my early life I felt that there was another possibility which once realised would transform all and everything One day that possibility became a reality and it was simple and ordinary magnificent and revolutionary It is the open secret that reveals itself in every part of our lives But realisation does not emerge through our attempts to change our lives it comes as a direct rediscovery of who it is that lives The Open Secret is a singular and radical work which speaks of the fundamental liberation that is absolutely beyond effort path process or belief

Open Secret Wei Wu Wei, 2004 One of the best loved of Wei Wu Wei s books Open Secret enlightens us as to the true nature of the self as well as time space and enlightenment itself The work includes extensive commentary on the Heart Sutra regarded by Buddhists as the summation of the Buddha s wisdom The pseudonymous author studied deeply in Eastern and Western philosophy and metaphysics along with the esoteric teachings of the great religions In his writing he distils this knowledge into uniquely elegant prose full of humour metaphors profundity and his essential understanding of the open secret of life

Open Secret Stella Rimington, 2011-10-31 The story of MI5's transformation is fascinating. So too is Rimington's account of her rise in what was very definitely a man's world. *Guardian* _____ The eye-opening memoir from the first female Director General of MI5. Stella Rimington worked for MI5 between 1969 and 1996, one of the most turbulent and dramatic periods in global history. Working in all the main fields of the Service's responsibilities: counter-subversion, counter-espionage, and counter-terrorism, she became successively Director of all three branches and finally Director General of MI5 in 1992. She was the first woman to hold the post and the first Director General whose name was publicly announced on appointment. In *Open Secret*, she continues her work of opening up elements of the work of our security services to public scrutiny, revealing the surprising culture of MI5 and shedding light on some of the most fascinating events in 20th-century history from the ultimate insider viewpoint. _____ Stella Rimington is also the author of the novels *At Risk* and *Secret Asset*.

Open Secrets Alice Munro, 2011-12-21 Eight stunning stories from Nobel Prize-winning author Alice Munro, a true master of the form. Salman Rushdie's *Open Secrets* is a book that dazzles with its faith in language and in life. *The New York Times Book Review*. In these eight tales, Alice Munro reveals entire lives with a sureness that is nothing less than breathtaking, capturing those moments in which people shrug off old truths, old selves, and what they only thought was fate. In *Open Secrets*, Munro evokes the devastating power of old love suddenly rekindled. She tells of vanished schoolgirls and indentured frontier brides and an eccentric recluse who, in the course of one surpassingly odd dinner party, inadvertently lands herself a wealthy suitor from exotic Australia. And Munro shows us how one woman's romantic tale of capture and escape in the high Balkans may end up inspiring another woman who is fleeing a husband and a lover in present-day Canada. The resulting volume resonates with sorrow, humor, and wisdom, and confirms Alice Munro's reputation as one of the most gifted writers of our time.

The Open Secret Alister E. McGrath, 2011-09-23 Natural theology in the view of many is in crisis. In this long-awaited book, Alister McGrath sets out a new vision for natural theology, re-establishing its legitimacy and utility. A timely and innovative resource on natural theology, the exploration of knowledge of God as it is observed through nature. Written by internationally regarded theologian and author of numerous bestselling books, Alister McGrath develops an intellectually rigorous vision of natural theology as a point of convergence between the Christian faith, the arts, and literature, and the natural sciences, opening up important possibilities for dialogue and cross-fertilization. Treats natural theology as a cultural phenomenon broader than Christianity itself, yet always possessing a distinctively Christian embodiment. Explores topics including beauty, goodness, truth, and the theological imagination. How investigating nature gives rise to both theological and scientific theories, the idea of a distinctively Christian approach to nature, and how natural theology can function as a bridge between Christianity and other faiths.

Open Secret David Ehrenstein, 2000-05-16 Part social history and part exposé, this revealing, entertaining, and provocative book spans nearly seventy years as it explores the lives and careers of some of the silver screen's foremost gays and lesbians and the effect of their high-profile lifestyles on the general public. From Charles Laughton and Greta Garbo to Nathan Lane and Ellen DeGeneres, David Ehrenstein traces the gradual transformation of Hollywood from a time when it was box office poison to be publicly gay to the modern era when many top entertainment figures are celebrating their gay sexuality and are in turn celebrated for it. Updated *Open Secret* reveals what has happened to the key players in gay Hollywood since the original hardcover publication.

Open Secrets Anne-Lise François,2008 Open Secrets contests the dominant influences of utilitarianism expressive individualism and imperatives to self improvement by examining a series of texts in which nothing happens and arguing that these works far from hiding from narrative demands make an open secret of fulfilled experience and yield a revelation without insistence or rhetorical underscoring

Open Secrets Israel Shahak,1997-02-20 Israel s foreign policy is perceived to be essentially a defensive one by the international community Why then is it the only nuclear power which refuses to sign the Non Poliferation Treaty What are its true foreign and nuclear policies Using the Hebrew press as his main source veteran human rights campaigner Israel Shahak reveals Israel s strategic foreign policy as presented through its own domestic media ie what other Israeli Jews are told He argues that the Israeli government with the support of the US Jewish lobby are conducting a global policy aiming to control virtually the whole of the Middle East for their own purposes

Open Secret Erin Arvedlund,2014-09-25 Gaming the LIBOR that is fixing the price of money had become just that a game Playing it was the price of admission to a club of men who socialized together skied in Europe courtesy of brokers and expense accounts and reaped million dollar bonuses In the midst of the financial crisis of 2008 rumors swirled that a sinister scandal was brewing deep in the heart of London Some suspected that behind closed doors a group of chummy young bankers had been cheating the system through interest rate machinations But with most eyes focused on the crisis rippling through Wall Street and the rest of the world the story remained an open secret among competitors Soon enough the scandal became public and dozens of bankers and their bosses were caught red handed Several major banks and hedge funds were manipulating and misreporting their daily submission of the London Interbank Offered Rate better known as the LIBOR As the main interest rate that pulses through the banking community the LIBOR was supposed to represent the average rate banks charge each other for loans effectively setting short term interest rates around the world for trillions of dollars in financial contracts But the LIBOR wasn't an average it was a combination of guesswork and outright lies told by scheming bankers who didn't want to signal to the rest of the market that they were in trouble The manipulation of the world's most important number was even greater than many realized The bankers kept things looking good for themselves and their pals while the financial crisis raged on Now Erin Arvedlund the bestselling author of Too Good to Be True reveals how this global network created and perpetuated a multiyear scam against the financial system She uncovers how the corrupt practice of altering the key interest rate occurred through an unregulated and informal honor system in which young masters of the universe played fast and loose while their more seasoned bosses looked the other way and would later escape much of the blame It was a classic private understanding among a small group of competitors you scratch my back today I'll scratch yours tomorrow Arvedlund takes us behind the scenes of elite firms like Barclays Capital UBS Rabobank and Citigroup and shows how they hurt ordinary investors from students taking out loans to homeowners paying mortgages to cities like Philadelphia and Oakland The cost to the victims as much as 1 trillion She also examines the laxity of prominent regulators and central bankers and exposes the role of key figures such as Tom Hayes A senior trader for the Swiss financial giant UBS who worked with traders across eight other banks to influence the yen LIBOR Bob Diamond The shrewd multimillionaire American CEO of Barclays Capital the British bank whose traders have been implicated in the manipulation of the LIBOR Mervyn King The governor of the Bank of England who ignored U S Treasury secretary Tim Geithner's repeated recommendations to establish stricter regulations over the interest rate Arvedlund pulls back the curtain on one of the great financial scandals of our time uncovering how millions of ordinary investors around the globe were swindled by the corruption and greed of a few men

Open Secret Deryn Collier,2014-04-08 A riveting new Bern Fortin mystery from the author of Confined Space Deryn Collier's debut mystery Confined Space was called an intelligently conceived suspenseful and elegantly written story by The Toronto Star Now Coroner Bern Fortin is back in a riveting new mystery After the abrupt end to his military career Bern has settled into an uneasy peace in his new life in Kootenay Landing a peace he knows can't last Out for a fall hike he discovers Dr Juniper Sinclair the town's lone doctor attempting to revive small time drug dealer Seymour Melnychuk who has been shot in the forehead In a seemingly unrelated incident Gary Dowd abandons his van while crossing the US border Gary is a local father of two an accountant and a steady predictable guy He's also been best friends with Seymour Melnychuk since elementary school Bern knows the two disturbing events must be related and works with police constable Maddie Schilling to uncover the hidden ties that connect the two cases Why was Dr Sinclair already on the scene Why is there no exit wound on Seymour's body Why did Gary Dowd disappear while trying to cross the border Who truly controls the hills and forests around Kootenay Landing Amidst the chaos of the case Bern's military background comes back to haunt him forcing him to confront the secrets of his own past that he has long sought to keep buried As Bern and Schilling close in on the killer each is drawn into the case personally and the stakes are higher than anyone can imagine Everyone has something to hide and no one in Kootenay Landing seems willing to talk But Bern Fortin is well aware that no secret can remain buried forever not even his own

An Open Secret Nicholas L. Syrett,2021-04-30 An Open Secret traces the history of philanthropist Robert Allerton and his companion John Wyatt Gregg whom Allerton formally adopted as his son in 1960 after decades of living together Yet why did these two men who appear to be a gay couple from our view today choose to project a father-son relationship Syrett argues that in a period of both rising homosexual openness and social disapproval the men had to find an alternative public logic for their situation Whether or not Allerton and Gregg had sex with each other they were undoubtedly a queer union two high society men who did not affirm traditional notions of partnership or couplehood
